

Fundraising Volunteer

Fundraising is a vital part of what we do and without collecting donations big and small it would be very difficult for us to carry out our work – can you help?

Location:	Office based plus events in your community
Reports to:	Fundraising Manager
Time Commitment:	Three hours a week
Length of role:	Six months initial commitment with option to extend
Experience required:	A driving licence would be helpful but not essential. Full training and support given so no fundraising experience required.

More about the role

Will you help maximise fundraising opportunities for Scottish Families? We are seeking enthusiastic, committed individuals who can represent the charity locally and act as an ambassador for our work. You will learn or develop your skills in grassroots fundraising, turning pennies into pounds and making a vital contribution to our annual fundraising targets. If you are looking to build your experience in fundraising, events assistance and networking, this is the ideal role for you.

Fundraising activities will include

- Building relationships with local businesses.
- Finding homes for our collecting cans
- Helping with events such as bag packs, information stalls and sporting events
- Working as part of team with other volunteers or working on your own depending on nature of the event

No experience of fundraising is necessary as we will provide full training as well as regular catch ups.

Is this the role for you? A checklist of points to consider

- I will not judge others
- I understand that some of things I may hear from members of the public while working in the community might be difficult
- I understand it is important to follow procedures when handling cash
- I am a confident person
- If someone says no to my request I won't take it personally
